# Sharam Australian Shepherds

Health ✓ Soundness ✓ Temperament ✓ Versatility ✓

# CONFORMATION

**JUDGE: Mrs Jeni Sach (WA)**

I got my first dog, a German Shepherd in 1989 and started obedience and agility training. In 1992 I obtained my first registered pedigree dog which was a Shetland Sheepdog, he was also to become my first show dog.

In 1998/1999 I was introduced to the beautiful Australian Shepherd, a breed which will always hold a special place in my heart. I began to handle the black bicour dog, Socks - Ch Sugargum Fort Jackson (IID). Within a short time Carlie (Ch Colorado Life In The Fast Lane (Imp USA)) came to stay with me and be shown, she was owned by Les Mathieson & Robyn Sutcliffe of Sugargum Aussies.

In 1999 I got my first two Aussies of my own, a black bi bitch Madison (Ch Hotoz Wild Reflection CD AD JD SPD) and a black tri dog Banner (Gr Ch Sugargum Star Spangled CD AD JD ET). Banner went on to become a multi Best in Show winner.

Some of my other Aussies include Gr Ch Ausbrand Limited Edition ET who was the first Aussie to be invited to the WA Contest of Winners. I also had his sister, Ch Ausbrand Silver Chalice. Ch Kaasha Dazzling Edition was also a Best in Group and multi class in show winner who went on to be exported to a friend in the UK where he competed and was placed at Crufts.

While I no longer show the breed I will always have a keen interest in and love for the Australian Shepherd breed.

I have also owned and exhibited Italian Greyhounds and Briards since approximately 2002.

*"Providing natural solutions to your pets health"*

### THE BIG C

#### The Big C

A complete product containing essential Vitamin C, which benefits any pet requiring a natural booster to its immune system. Likely causes could be additional body stress through illness, growth, excessive exercise, pregnancy, anxiety etc etc ....

Big C also contains Vitamin B which helps control Serotonin levels in the brain. This has proven benefits for anxious, excitable or aggressive behaviours.

### OILS 'N' OILS OMEGA 3,6,9, OIL Plus COCONUT OIL

#### Oils N Oils

This complete oil formula should be used as an addition to enhance any pet's diet.

The carefully blended formula contains:

Omega 3 - from Cod Liver Oil. This promotes a healthy heart and helps alleviate the harmful effects of allergies, helps relieve inflammatory skin conditions as well as significantly improving painful joint inflammations such as Osteoarthritis.

Omega 6 - a balanced mix from both Flax Seed and Cotton Seed to assist with brain function, skin, and hair quality and growth.

### HEAL N GROW

#### Heal N Grow

Heal N Grow is an intricately designed formula for fast growing or injured dogs. It contains a precise combination of vitamins and minerals to assist in growth, development and recovery.

The blend of Devils Claw, Spirulina, Green Lipped Muscles, Vitamin C, Shatavari and Turmeric in the correct amounts benefits a wide range of your dog's quality of life.

These benefits include pain and inflammation relief, blood cleansing and oxidation, reduces anxiety levels and helps control the growth of Pathogenic bacteria and Yeasts to mention a few.

This is a hard working formula with too many benefits to include, so please contact our breeders rep on the number below.

**With over 25 products in the range we have something that will help every dog reach its full potential.**
